NOT RELEASABLE TO FOREIGN NATIONALS [REDACTED]

ATTACHMENTS: Location map and line drawing of probable surface-to-air missile site.

-----  
Declass Review by NIMA / DoD

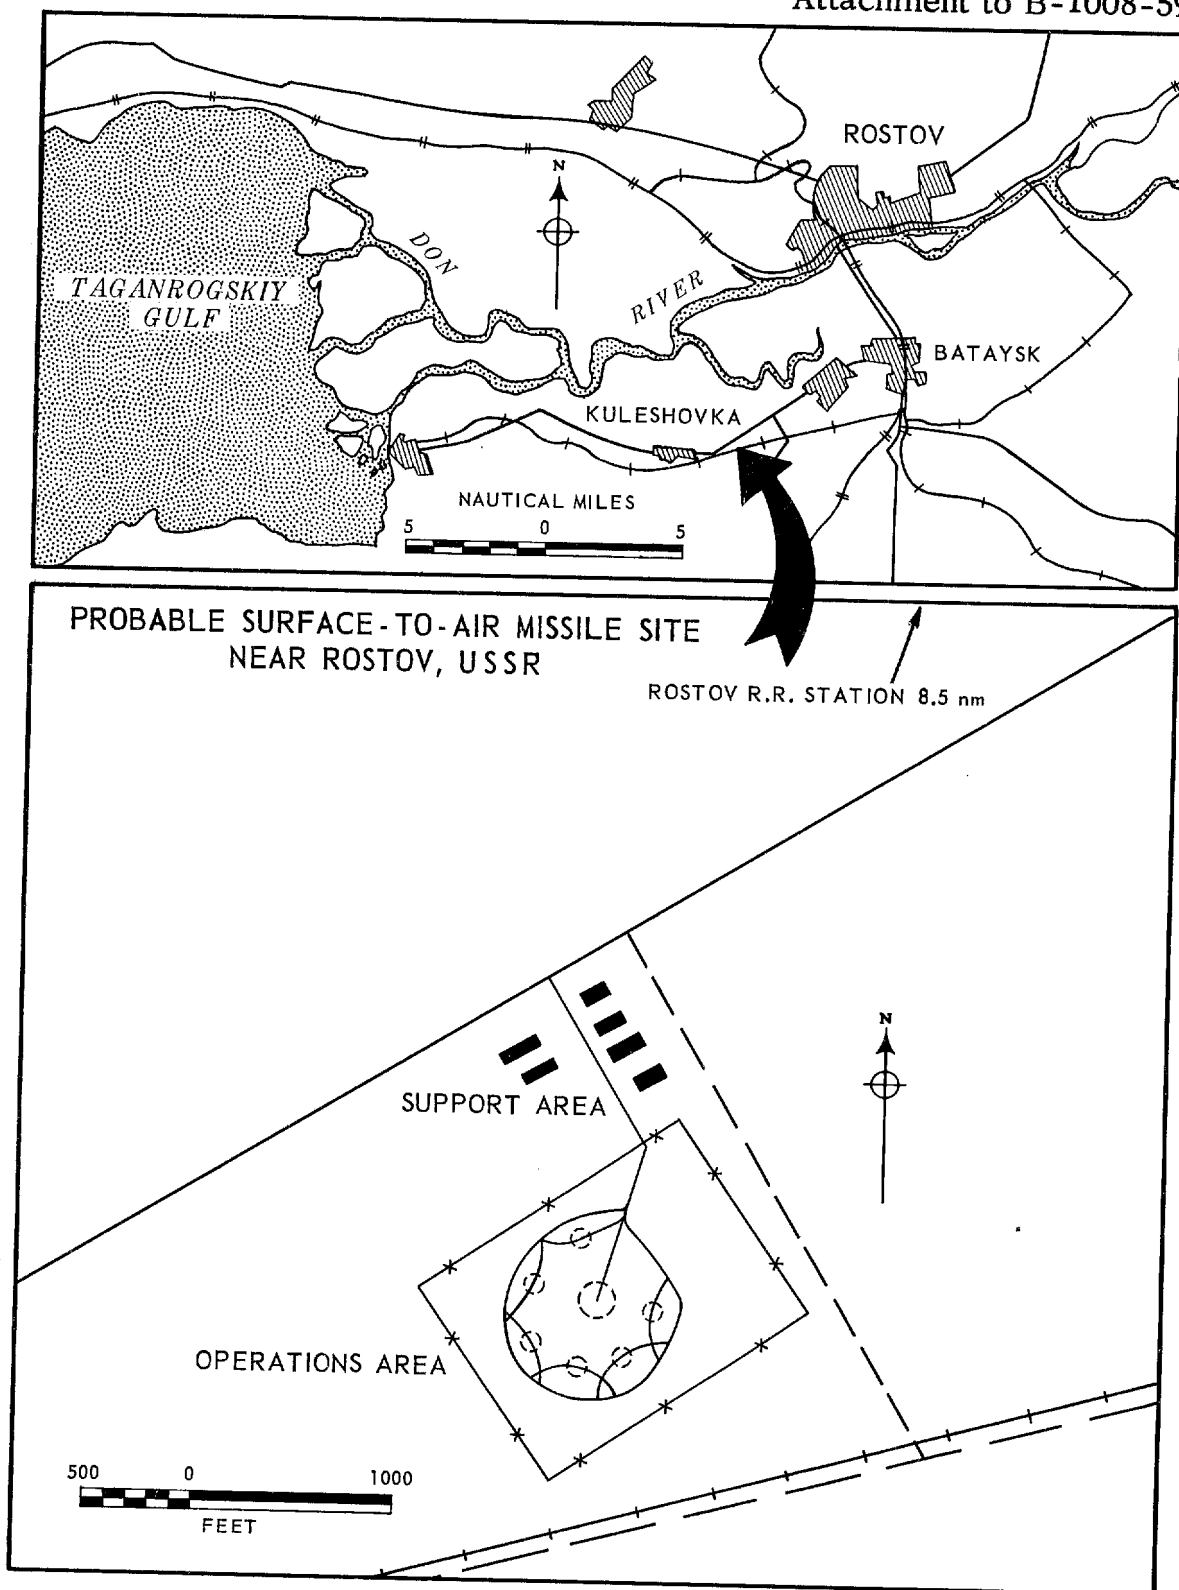

A probable surface-to-air missile site has been identified on recent photography near Rostov, USSR. The site is located 8.5 nm SSW of Rostov, USSR at coordinates 47°05'N/39°37'E (see attached sheet).

The site contains a secured operations area and a support area which is road served from the Bataysk-Kuleshovka Road.

The operations area is rectangular in shape and measures approximately 1500 by 1200 feet. The entrance road to the operations area leads directly to a possible guidance facility in the center of the area. Six drive-through possible launch facilities surround the guidance facility. Each of these launch facilities is positioned approximately 250 feet from the guidance facility. A perimeter road surrounds the launch facilities. Service roads, forming arc-shaped patterns, lead from the perimeter road through the possible launch facilities.

The support area contains at least six buildings.
